

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF MEADE COUNTY)	
RURAL ELECTRIC COOPERATIVE)	CASE NO.
CORPORATION FOR APPROVAL TO ISSUE)	97-157
SECURITIES PURSUANT TO KRS 278.300)	

O R D E R

On March 31, 1997, Meade County Rural Cooperative Corporation ("Meade County") applied for authority to issue notes in the amount of \$1,906,000 to the National Rural Utilities Cooperative Finance Corporation ("CFC"). Meade County intends to use the proceeds of these notes to finance the projects contained in its 1995-1999 Work Plan, which the Commission has previously approved.¹ CFC approved Meade County's application for funding on April 11, 1997

Meade County's proposed issuance of notes is part of a larger effort to finance its 1995-1999 Work Plan projects. In addition to funding from the CFC, Meade County has applied for \$7,693,000 in loans from the Rural Utilities Service ("RUS"). On March 3, 1997, RUS approved an initial loan of \$4,449,000 to Meade County to finance the projects. RUS has advised Meade County that the remaining \$3,244,000 would be made available at a later date.

¹ Case No. 95-538, Application of Meade County Rural Electric Cooperative Corporation For a Certificate of Convenience and Necessity Pursuant to KRS 278.020(1) and 807 KAR 5:001, Section 9 and Related Sections Authorizing Certain Proposed Construction, Order dated May 23, 1996.

The Commission, after consideration of the evidence of record and being advised, finds that:

1. The loan from CFC in the amount of \$1,906,000 is for lawful objects within the corporate purposes of Meade County, is necessary and appropriate for and consistent with the proper performance by the utility of its service to the public and will not impair its ability to perform that service, and is reasonable, necessary and appropriate for such purposes.
2. Meade County is capable of executing its notes as security for the loan as stated herein.
3. Meade County should select the interest rate program which will result in the net lowest cost of money to it over the term of the financing.
4. Within 10 days of its selection of the interest rate program, Meade County should notify the Commission in writing of the interest rate program selected and of the reasons for its selection.
5. The proceeds from the proposed loans should be used only for the lawful purposes set out in Meade County's application.
6. Meade County should include in its monthly financial report to the Commission the current interest rate on its outstanding variable rate loans.
7. When Meade County presents its written request to RUS for the remaining \$3,244,000 in loans, it should for informational purposes file a copy of that request with the Commission.

8. If Meade County applies to CFC for additional loans to finance projects set forth in its 1995-1999 Work Plan, it should apply to the Commission for authority to execute any financing agreement or issue notes for those loans.

9. As the issuance of securities or evidences of indebtedness subject to the control of a federal governmental agency does not require Commission approval, KRS 278.300(10), and as the RUS is an agency of the federal government, no action on Meade County's proposed loan from the RUS is required.

IT IS THEREFORE ORDERED that:

1. Meade County hereby is authorized to borrow \$1,906,000 from CFC for a 35-year period and bearing either a fixed or variable rate, as chosen by Meade County at the time the first monies are drawn from CFC, subject to the provisions and terms of the application with respect to renegotiation of the interest rate.

2. Meade County hereby is authorized to execute its notes as security for the loan herein authorized.

3. Meade County shall comply with all matters set out in Findings 3 through 8 as if they were individually so ordered.

Nothing contained herein shall be deemed a warranty or finding of value of securities or financing authorized herein on the part of the Commonwealth of Kentucky or any agency thereof.

Done at Frankfort, Kentucky, this 15th day of May, 1997.
